

Hi Parents,

My name is Amy Logan and I am the author of *A Girl With A Cape*™. I am excited to tell you that I will be visiting your child(ren)'s group soon to share this story!

Let me give you a little summary of what the first (there are 3 in the series) book is about:

*A little girl wears a really cute leopard-print scarf (that comes with the book) as a cape because she thinks of herself as a superhero and wants to make a big difference in the world. As the days pass, she goes about her day while looking for something BIG she can do, and in the mean time, she's using kind words, being polite, doing kind things. By the end of the week, she doesn't feel that she's made a difference and gets angry at her "cape," throws it down, and yells at it. Mom overhears this and assures her that she HAS made a difference in the world - a BIG difference. She tells her that her WORDS are her superpower and that she can change the world by her kind words and her actions.*

I have a feeling that not only will your child(ren) love this story, but you will too!

*A Girl With A Cape*™ is all about **paying it forward with kindness**. I believe that this story will help spread awareness about the importance of our everyday actions, and just as important, be a story that kids and adults will cherish for a long time.

I believe **YOU** are very important in helping me spread this awareness & in helping to create a world full of superheroes ~ our children. How can you help? On *A Girl With A Cape*'s website: [www.GotYourCape.com/RockTheCape](http://www.GotYourCape.com/RockTheCape). there's a calendar that you can download & print for your child to keep track of all the kind things they do or say on a monthly basis. Once they complete a month, you can mail/email it to our office so they can get an **I Make A Difference** card in the mail signed by me & get entered into a drawing for something fun! There are also other activities on the site they can print up and do.

Books will be available for pre-sale at a discounted rate, will be signed by me, and delivered the day of my visit☺.

I want to thank you in advance for your support of *A Girl With A Cape*™. It takes a village to raise a child, and it takes our children to change the world. That has to start with us.

Here's to changing the world, one random act of kindness at a time!

Feel free to contact me at [amy@amylogan.net](mailto:amy@amylogan.net), and pass this info along.
